Hi Julie,

I know that we had the scoping meeting last week and we discussed address verifications for 366 residents and the Industrial Survey (5 mile radius). Ray would now like a full-blown PRP Search as well which is within the scope of the work. Please cost out a full-blown PRP search as well for 4 PRPs, in addition to the work already discussed. Also, please give me a call as soon as possible. I apologize for any inconvenience this may cause.

Thank you,

Annette W. Fields, Ph.D.
